

PRESS RELEASE

Bank Al-Maghrib and the High Commission for Planning strengthen their cooperation for a more integrated national statistical system

Rabat, 17 June 2025

Bank Al-Maghrib and Morocco's High Commission for Planning (HCP) signed today in Rabat a partnership agreement intended to enhance their cooperation in the production and exchange of statistics and economic analysis. This agreement is intended to produce more relevant and higher quality data, in order to provide a better basis for decision-making and grant effective support for the country's economic and social policies.

Through this partnership, the two institutions commit to establish a secure and automated data exchange system, to share their mutual expertise and to ensure the harmonisation of statistical reference systems, while paying particular attention to skills development.

On this occasion, Mr Abdellatif Jouahri, Governor of Bank Al-Maghrib, and Mr Chakib Benmoussa, High Planning Commissioner, reaffirmed their determination to bring the national statistical system up to the best international standards.
